

NEW
Be Connected Program

Connecting you to your community.

Would you like to feel more confident in using your computer to keep in touch with loved ones?

The Be Connected program is designed for RangeCare clients to learn how to effectively use computers for their own personal needs. Each client is given an hour with our resident computer whiz, Kathy.

Cost: there is no cost for this service

Day: Fridays at specified time when booking

Place: The art room at the RangeCare Flaxton Cottage
